

2023/24 JBS Health Club Information

When the athletic facilities at John Burroughs School are not being used by students, they are open to current parents and grandparents, alumni, parents of alumni, and current and former faculty and staff on a membership basis. Spouses and immediate family members (age 25 and under, and living with the member) are eligible as well. A number of sponsored memberships are available (see below).

Members of the Health Club may access the Taylor Athletic Center, which includes state-of-the-art weight and cardio rooms in addition to our brand new, eight-lane indoor pool and ***four squash courts**. Members may also use the Olin Field House (indoor track and 3 basketball courts), Memorial Gym, Keefer Track (outdoors), Leland Field, Jim Lemen Press Box, Lee Tennis Complex (10 tennis courts), and the field hockey field.

NEW this year, Health Club members may also use the squash courts during HC hours

Individual: Membership applies to a single individual.

Family: Membership includes immediate family members (spouse and children under 25).

Guests: Individuals may use the Health Club facilities one day at a time and pay a guest fee of \$5 per guest/per visit. **NO EXCEPTIONS.**

Community Membership: Available to all JBS alumni (25+), parents, and grandparents.

Sponsored Membership: Available to anyone outside of the JBS community who has ties to a current community member. A community member must vouch for a sponsored member.

Class Membership: JBS offers a discounted membership specifically for individuals who wish to participate in fitness classes, such as strength training, Splashercise, and swim lessons. With this class membership, the fee covers the use of any facility required for your classes. However, please note that this fee does not cover the cost of the classes themselves. Additionally, without a full membership, you will not have access to facilities outside of classes unless you pay a guest fee.

Complimentary Membership: Available to all current JBS students, current faculty and staff and alums under the age of 25.
